<p></p> <p>January 24, 2013</p> <div class="quote-l"> <div class="quote-r"> <blockquote>MTR is reliable, short down time, and the fleet management has been more than helpful.</blockquote> <p>- Clay Tyra,
TSL for Colorado Springs</p> </div> </div> <p></p> <p></p> <p>January 22, 2013</p> <div class="quote-l"> <div class="quote-r"> <blockquote>The knowledgeable mechanics and staff at MTR are exceptional! Their service is reliable and competitively priced. We DEPEND on MTR for keeping our fleet on the road.</blockquote> <p>- Tom Graver, CMC
General Manager</p> </div> </div> <p>July 31, 2010</p> <p></p> <div class="quote-l"> <div class="quote-r"> <blockquote>Our trailer fleet of over 100 trailers has been serviced by Mobile Trailer Repair for over eight years. During that period we have hauled over 40,000 loads to job sites within a 350 mile radius of our plant without any maintenance related accident. We are please with Eddie's service and look forward to a long lasting relationship.</blockquote> <p>- Mike Norwood
Executive Vice President</p> <p></p> </div> </div> <p>March 23, 2011</p> <div class="quote-l"> <div class="quote-r"> <blockquote>MTR has serviced Geocycle's truck and trailer fleet of over 100 units since 2007. Before Geocycle purchased the tire recycling business, MTR had serviced this fleet since 1997. I am very pleased with MTR's personalized, reliable service and preventative maintenance program as they continue to service our fleet.</blockquote> <p>- Joe Collard
Facilities and Service Manager</p> </div> </div> <p></p> <p>2010</p> <div class="quote-l"> <div class="quote-r"> <blockquote>MTR has serviced my fleet of trucks since 2008. I appreciate MTR's availability whenever I have needed a service call or trucks serviced on Saturdays. I know I can count on them. MTR also managed the truck fleet, tracking service intervals and needed inspections. I highly recommend MTR for their truck PM program, needed repairs, and welding/fabrication. Sincerely,</blockquote> <p>- Art Savage
Fleet Manager</p> </div> </div>
